

Code Nation

Become An Affiliate

We see an Affiliate as a **positive ambassador** for Code Nation. Someone who is **energetic, enthusiastic and engaging**, and acts in the best interests of our Business and our students.

We're looking for people who are **passionate** about the digital sector, and equally as passionate about changing people's lives. **We love people who love people**, so a social butterfly with a big network is great, but not essential.

Ultimately we're looking for people who **love what we do** and are excited to **spread the word** about Code Nation.

How does it all work?

Your mission, should you choose to accept it, is to introduce students to Code Nation who want to join us on one of our Master courses, and potential Pledgers who love what we do and want to hire our students.

We will thank you for your efforts with our Affiliate Reward Scheme, the rules of which are transparent, simple and fair.

But don't jump in yet. There are **some steps you need to follow** to get you registered, and then we've got some advice on how to encourage more people to take a positive step towards a life changing /career changing moment.

That said, if you'd like to become a Code Nation affiliate, get in touch with our dedicated Affiliates Team: affiliates@wearecodenation.com
